1. Leah

A typical 'girl-next-door' in high school. She was raised by her divorced mom. They didn't have much and her mom was always away on business trips. She was so alone and helpless that, even got picked in school, she had no one to turn to.

2. Madoka

She was often sick as a child, and lived with her brother. They moved a lot and they have no money or time for school.

Although she's already come of age, she still messes around like a kid.

3. Mafercca Rossi

A young witch who lives in the forest and focuses on arcane and alchemy. She doesn't know much beside those two, even a bit clumsy. She also hates those who believe violence can solve everything.

In her 19 years of being, she spent 16 of them as a slave. Although she remains meek about her status quo, and she follows her

master's commend to the letter. There seems to be a small fire that is breaking out.
